Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

What an enjoyable last week of the half term we have had. Along with the sunshine, the children have enjoyed a busy week of learning.

Children in year 5 have created some incredible castles as part of their design technology learning. These are on display in the corridor, so look out for them next time you are in school.

Our Reception children visited Boydells Farm. We had a great day. The children had an opportunity to get hands on with the animals; milking a cow, feeding the lambs, holding kids and chicks.

Year 2 visited Colchester Zoo on Tuesday. The children fed the elephants and giraffes. They learnt about habitats and life cycles as part of this terms topic 'All Creatures Great and Small.' A great day was had by all.

The children should be commended in both Reception and Year 2 for their exemplary behaviour on their visits.

It was fantastic to see so many year 4 parents in school on Thursday. We hope you enjoyed learning with your child.

We look forward to welcoming year 5 parents on **June 5th at 2pm.**

### Hats!

Could we please ask that after half term, all the children have a sun hat in school.

Without a hat the children will not be able to go outside.

### Come dine with me

You are invited to join your child for lunch after half term:

**Badgers** 8th June

**Foxes** 20th June

**Year 5** 29th June

We wish you all a relaxing and enjoyable half term.

We look forward to seeing the children back on **Monday 5th June.**

### Summer uniform

A reminder please that in the sunny weather, the children should still be in school uniform. If your child is wearing shorts these should be dark grey. We also ask that children should not be wearing open toed shoes.
