Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

We hope that you all had a restful half term.

This week the children have been preparing for their TLCs next week. They have been choosing their work that they have book marked to talk about with you. We would encourage you to go to the hall before your appointment to look at the children's books and then take the books with you when you meet with the class teachers. Our school learning parliament have devised a set of success criteria for how to ensure that the TLCs are successful. These are: ***to be focussed * to be confident when they talk about the work *to be brave in what we say and make sure we show everything we want to * take on board our next steps, we all have next steps to work on so don't worry about them and when we are in the hall we will make sure we share our work and not get distracted!.** We look forward to sharing our learning with you next week.

We are very lucky and are looking forward to a visit from an author Jack Trelawny on Tuesday 8th November for children from Y2 upwards. His exciting books are available to pre order through the office at £6.99 each. Jack will sign the books for the children. .

We would be grateful of your empty glass jars please! Please leave them in the box in the entrance.

Thank you
