Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

This week, the Year 5 children have enjoyed a trip to Colchester Castle as part of their topic learning. We had a great day learning about the castle and life in a castle.

It was wonderful to see the parents of the year 1 children this morning, who joined us for our learning. Parents saw a phonics session and the children taught their parents the Circassian Circle dance as part of their country dancing. We look forward to welcoming the parents/carers of children in year 6 next Friday (12th May) from 2-3pm.

### May Day

Despite of the rather damp and chilly weather, our May Day Fayre celebrations was very successful on Monday. It was fantastic to see so many of you supporting the day. A huge thank you to the Friends Committee for their hard work and to all of those of you who were involved in the organisation of the day both before the event and during the event. Your time and commitment is greatly appreciated.

2

Thank you to our Maypole dancers who performed at the May Fayre and to those parents who helped the children in preparation for May Day.

### First Aid notification

If your child has a bump to the head or other significant injury at school, you will now receive an email from the school notifying you of an injury.

## Governor News

Rev

Reid has visited school this week to monitor safeguarding. He spent some time carrying out a pupil voice, listening to what the children feel about aspects of safeguarding.

Mrs Weeks joined Year 5 on their trip to the castle. **Thank you Mrs Weeks.**

### SAT's week

Next week is SAT's week for our year 6 children. They have all been working exceptionally hard and are well prepared for these. We ask that all the year 6 children attend every day next week and arrive in school promptly if they are not attending breakfast club. There will be breakfast club for the year 6 children starting at 8am.

**Good luck Year 6 – do your best!**
