Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

Thank you to those of you who came to our Easter Service on Monday. It was fantastic to see so many of you in the church enjoying the hard work the children had put into the service.

On behalf of everybody at Bocking Primary we would like to wish you all a very Happy Easter.

If anyone has any unwanted tarpaulin or sticks/poles that we can use later in the Summer term for building dens, we would be very grateful.

Thank you to the Friends for organising the Easter egg hunt on Tuesday; the children had a great time.

Year Five would like to thank everyone for supporting their raffle. We raised £118.00.

Gymnastics Club

Premier Sports will be running a gymnastics club in the Summer term on Friday between 3:15 and 4:15pm. The cost is £48. To sign up please go to :

www.premier-education.com

The first club will be on 22nd April.

Easter at Braintree District Museum

Open Good Friday and Easter Saturday **10am – 4pm** Open Tuesday 29 March – Saturday 9 April **10am – 4pm (excluding Mondays)** All workshops 11am – 1pm. Advanced booking advised

Good Friday 25 March – Drop-in Easter Games and crafts

Plus: Wooden toys Easter in the galleries all day, meet the chicks and ducklings 10am – 2pm

Easter Saturday 26 March – Historical Games and Costumes Challenge

Have a go at some historical games and explore Tudor and Victorian costumes

Tuesday 29 March - Circus Skills *Impress your friends and family with your new-found juggling skills and much more!*

Wednesday 30 March - Indigo Dyeing with Slinkys and More *Come and try the ancient tradition of Indigo dyeing with an environmentally friendly indigo vat. You can try various ways of making patterns on fabric, including using slinky, various forms of tying and stitching.*

Thursday 31 March - Fun with Felt Making *Learn how to make a piece of felt from raw dyed wool using soap, water and lots of energy.*

Friday 1 April – Historical Plants

Have a go at making your own compost and see what creepy crawlies you can find, learn about seeds and sow some historical plants to take home

Saturday 2 April – The Body

Learn about your organs and how the body works through activities and crafts

Tuesday 5 April - Living on the Wild Side *Learn about the life cycles of different Easter animals and take part in our predator versus prey game*

Wednesday 6 April - Funny Bones *Discover how our bones and joints work and make your own skeleton to take home*

Thursday 7 April - Puppet Making

Make your own puppets and then take part in your very own puppet show

Friday 8 April – Disease Detectives *wonderful and revolting world of Roman hygiene and make a model of a Roman villa*

'Calling all detectives! Join us for a series of fun investigations to uncover the mystery behind how infectious diseases have spread throughout history. Collect all the clues to learn about the different types of disease people suffered from and help solve the case by discovering how they were cured.

Saturday 9 April – Roman Hygiene
