Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

It was lovely to see those of you who came to Open Evening on Monday; we hope you enjoyed looking at the children's work.

A teacher from Tabor Academy visited year 4 and 5 this week to work with the children on some characterisation drama activities.

Some children from Bocking have been involved in an art project with other primary children from Braintree. They created some fantastic models for the Summer library challenge and are on display in the entrance to Braintree library. If you are passing in the summer why not pop in to see them?

The children have this afternoon, enjoyed a great afternoon of activities and fun on the field together. We felt that the children deserved to be rewarded for their fantastic hard work this year and for making Bocking such a great school to be part of.

We are looking forward to seeing the year 6 production next week.

Music for School Tuition.

Music for schools, a charitable organisation, provides low cost instrument tuition in school to children in Key Stage 2. Mrs Stopp will have spaces on Monday (after school from 3:40pm) for tuition in Bb clarinet, flute, alto sax or trumpet /cornet.
