Headteacher: **Ms Deborah Crabb**

Week ending 7th October 2016

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

This week, Year 3 have enjoyed an Egyptian day learning about a variety of aspects of Egyptian life. (Do take a look at the photo in the entrance).

We were joined by a local farmer on Wednesday in our assembly, who shared with us what he does in his role as a farmer and taught us about the crops that he produces and what they are made into.

It was wonderful to see so many of you at our Harvest assembly today. We hope you enjoyed the celebration.

Thank you for your donations to Braintree Foodbank. We will let you know of the amount we will be donating in next week's news.

### News from the Friends

The Friends held their AGM on Monday. It was an opportunity to say a very big thank you to them all for the amazing fundraising they do for the benefit of the children.

A special thank you goes to **Andy Galley, Lisa Baxter, Sarah King and Nicola Morgan** as they all step down from their roles on the committee.

We are delighted that Mr Chris Walsh was voted the new chair of the committee and that Mr and Mrs Howsen are joint vice chairs. We do however, still have vacancies for the role of treasurer and secretary. If you would be willing to give some time and take one of these roles, please speak with one of the committee. The committee needs your support in order that it can continue to help raise funds which benefit the children. The Friends have helped us purchase a considerable amount of new books for the library; new Early Years outdoor play equipment and a contribution to the Olympic trip.

A number of children took part in the Summer library reading challenge. Well done to those of you who took up the challenge.

### Thank You

The Friends Quiz night raised **£182** and the Macmillan coffee morning raised **£257.87**

Thank you everyone for your support.

### Punctuality

A reminder, please that our school day starts at 8:50am and that the children should be in school by this time. Please call the office if there is a reason that your child may be late.

We say thank you and good-bye to Miss Gorman. Miss Gorman has worked at Bocking as a LSA and MDA. We thank her for the contribution she has made to our school and wish her every success in her new venture.

Please note there will be no cross country next week. Sorry for any inconvenience.
