### Olympic Park Visit

Could we please ask that the permission forms are returned to school by **Wednesday 15th June** so that we can confirm numbers with the park and finalise our numbers. If a form is not returned by the 15th June, then we will presume that your child will not be joining us on the visit.

As advanced notice for the trip can I please ask that the children are in school promptly at **7:40am**.

The car park will be closed on the morning of the visit so that we can get the children on the coaches safely and so there is room for five coaches to turn! We appreciate your support with this.

We have had a very busy start to the second half of our Summer term. Well done to Year 3 for their fantastic class assembly on Thursday.

Year 5 and 6 enjoyed an incredible day out to the Houses of Parliament and had the chance to question our local MP. The children were a real credit to our school. Thank you all the adults who helped make the day a success.

Our resources committee met this week, Rev Reid visited to speak with the children about how safe they feel in school and Mr Spedding visited Year 6.

We would encourage all children to wear a sun hat to school during the current warmer weather.

### Child Safety Week

This week it is Child Safety Week. Our assemblies have been focused on keeping safe. If you would like further information about keeping your child safe please go to: <http://www.childsafetyweek.org.uk/parents>.

This maybe a good opportunity to also remind you about e-safety. A variety of advice is available to support parents with online safety.

### Den Making Day

We look forward to seeing you at our den making day on Friday 17th June. Our picnic will start at 12 o'clock and the den building will start after this.

**We would still appreciate any donations of tarpaulin, post/poles and rope.**

### Class Photos

Any orders for class photos should be given to the office by Friday 17th June; ready for collection by the photographer early the following week.

### Year 5 Enterprise

On Monday afternoon Year 5 will be holding their Enterprise. If the children would like to bring some money in they will have the opportunity to buy things and have a go on games. There will be an opportunity for parents to visit after school.

### Queen's 90th

We are looking forward to an exciting week of activities to celebrate the 90th Birthday of the Queen from June 20th.
