### Book week

What a great week we have had this week. The children have thoroughly enjoyed a week of learning and activities based around stories and books. We have read in the reading tent, had a book trail and staff have changed classes to share their favourite stories with the children. We finished off the week with our dressing up day today and character parade. It was lovely to see parents at our 'Come Read with Me' session. Well done to all of the children for their fantastic costumes.

A big thank you to all of the staff for their hard work in organising the week.

Our new books have been delivered. Thank you to the Friends for our fantastic new books.

### Scooters/bikes

There are a number of scooters and bikes being brought into school. Please could we ask that these are locked securely to the bike racks at the front of the school.

Don't forget to come and have a cup of tea or coffee and chat with us on Monday morning from 8:45am to 9:15am.

Our Family School Liaison worker will be available on Monday morning from 8:30am if you would like to drop in and speak with her.

It was lovely to see both Mrs Reed and Mrs Childs who have both visited this week with their babies.

### Laptops

We have eight laptops that we no longer require which are available for £35. The specification is as follows:

12.1" screen / 2Mb Ram/ 65Gb Hard Drive

Windows 10 installed (no other software)

Suitable for Word processing, email, web browsing, (not gaming machines).

If you are interested in purchasing one of these please speak to the office.

*We can organise for a larger hard drive to be put into these laptops and can be arranged if the hard drive is purchased*

We hope that you found our TLC's informative this week and that you were proud as we were of the way that the children could talk about their learning.
