Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

Our Reception children have enjoyed a trip on the train this week from Braintree to Witham station. The children

chose to create a station office in the role play area in class and having spoken with the children we decided what better way to learn than to have a trip on the train.

Sports Day

It was great to see so many of you yesterday enjoying our annual Sports Day. The weather was perfect and the children were the best they could be.

We congratulate the winning team **red** but also all the children for trying their very best.

Thank you to the staff for their hard work in the preparation of the day and to the Friends for the refreshments.

The Friends invite you to join them on **Friday 23rd June** after school for a cup of coffee and refreshments. The parents of our new intake children will be in school and we would welcome you all to join us. Refreshments and uniform will be available.

We look forward to seeing you.

Governor News

We welcomed our Governing Body into school on Tuesday. They held their termly committee meetings and also enjoyed joining the children in their classes for their learning and had lunch with the children. Three of the governors also led our assembly with the children about aspirations and adventures.

Friends News

The Friends held a very successful camp night last weekend. We hope everyone enjoyed themselves.

They held their committee meeting last week; A few dates to put in your diary:

The Big Bounce is being held on **June 28th** after school.

Fashion Show 20th October (details to follow)

Casino Night 6th October (details to follow)
