Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

The children have been working very hard this week in and out of their classes. Our year 2 children have been learning about all creatures great and small, year 5 have been learning about castles, year 3 have been outside identifying different 2 and 3D shapes while Reception class have been bug hunting and also learning about farms. As the weather continues there will be lots more outdoor learning opportunities.

Our new clubs started this week and have been very well received by the children.

May Day

Don't forget our May Day Fayre on Monday from 11am to 3pm. There will be lots of fun for all. We look forward to seeing you.

A huge thank you for all your donations of bottles and items for the Rainbow tombola. Well done to Year 6 who won the bottle line up!

School Payments

Please note that the office will not be able to accept old £5 notes after Friday 5th May.

Also, we are no longer able to accept cheques payable to Essex County Council. All cheques should now be made payable to Bocking Primary School.

Come and see your children learn.

We would like to invite you in to school to visit your child in their class. These sessions will enable you to see what learning the children are involved in and maybe to have a go yourself. We are going to organise these weekly over the forthcoming term. We hope you enjoy the visit and look forward to seeing you.
