## Bocking Best Bits!

Well done to Year 4 who shared a fantastic class assembly with us on Thursday.

It was lovely to see so many Reception parents at our Come Dine With Me lunch on Thursday. We hope you enjoyed the spaghetti bolognese!

A huge thank you to those parents who supported our picnic and den making day. It was great to see so many people and the children creating some fantastic dens.

Mr Kelly has visited to talk about maths at our school and Mr Spedding visited to find out about the Aspire programme at our school.

## Olympic Park Visit

We are looking forward to our visit on Friday 24th to the Olympic Park.

A few reminders:

- ◆ **The children need to be in school promptly at 7:40am.**
- ◆ **Children need appropriate footwear for walking around.**
- ◆ **If the weather is hot please ensure the children have sun hats and cream with them; if it is wet they will need waterproof coats.**

The car park will be closed on the morning of the visit so that we can get the children on the coaches safely and so there is room for five coaches to turn! The Village Hall have kindly agreed to let our parents park in their car park from 7.30-8.00am.

Could we also ask that after you drop the children off, if you would like to wave them off that you stand along Fennes Road or near the club again to ensure the safety of the children and access to the coaches.

We appreciate your support with this.

We will leave the park at 2:30pm and are due to return at approximately 4.30pm. A message will be left on Parent line to keep you updated of our journey. Please call, **08447 707576** our school ID **48772**

Orienteering is an outdoor adventure sport. The aim is to navigate between control points marked on an orienteering map and decide the best route to complete the course in the quickest time. It does not matter how young, old or fit you are, as you can run, walk or jog and progress at your own pace.

These events are specifically aimed to introduce children and their parents to the sport. However all our events have courses suitable for all abilities - see our website for more details.

**Saturday 18th June Great Notley Country Park**  
**Saturday 9th July Maldon Promenade Park**  
**Saturday 16th July Castle Park, Colchester**  
**Saturday 23rd July Great Notley Country Park**  
**Saturday 10th September Castle Park, Colchester**  
**Saturday 17th September Maldon Promenade Park**

**Format**  
Six events for school age children held on Saturday afternoons with start times between 1pm - 2.30pm. Parents and younger children are encouraged to give it a go!

Each competitor will locate as many controls in the time allowed (30 minutes) by deciding the quickest route. Points will be awarded for each control successfully located but points will be deducted for each minute over. Cloth badges will be awarded to all those who navigate to 25 controls or more across the series.

**Registration**  
Course registration is open from 1pm to 2.30pm most are based near to the park cafes but look out for the green SOS banner. Competitors will need to complete a registration form. They will receive a map with the course printed on it and an electronic timing chip. All children will need to bring a watch. Parents can talk through the course and can shadow (follow) inexperienced competitors around the course but please let children navigate themselves.

**Children Free**  
Participating Adults £3
