Week ending

27th May 2016

Headteacher: **Ms Deborah Crabb**

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

We are at the end of the first half of the Summer term; and our week has been as busy as ever.

The excitement of the children in Year 1 grew every day as they waited in anticipation for their Great Exhibition. It was absolutely fantastic that when the day arrived so many parents and visitors came to see the work that was on display at the exhibition. This was a great way of the children sharing their hard work with you. A special well done to the children in Year 1 and to Mrs Farr, Miss McCartney and the adults in Year 1 for their hard work in the preparation of the exhibition.

Congratulations to the children in Year 2 this week who have all worked very hard and shown resilience as they carried out their SATs.

**Wishing you a relaxing and enjoyable half term.**

### Year 4 visit

The children in Year 4 visited the Islamic Centre in Braintree on Monday. This concluded the children's' learning for RE this term. They had a great afternoon learning about Islam and an opportunity to look around the mosque. Thank you to those parents who joined us for this visit.

We look forward to reading and seeing the children's homework after half term. They have all been asked to research a country in preparation for our whole school topic of the **Olympics**.

**Congratulations** to the football team who took part in a friendly match between six local schools last week at Lyons Hall. We are delighted that Bocking won 5 out of 6 matches taking first place in the friendly tournament. A huge **thank you** to Mr Game for his coaching and managerial support.

## Governor News

Father Rod visited school this week to lead an assembly.

### Car Parking

Could I please ask that if you are parking or dropping/collecting children to and from school that you park carefully and that you are respectful of not parking in front of people's driveways and entrances; particularly where children will / could be walking. This will help to avoid any accidents.

### Friends Camping Night

A reminder that on **17th and 18th June** there will be a camp night held on the school field. Pitch your tent for £10. You can come along from 4:30pm on the Friday.
