Week ending 21st June 2019

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

You will have heard, I'm sure that this week has been Sports Week. The children have had a fantastic week taking part in different sports including football with Mr Berry, athletics with Mrs Pickering, cricket with Essex County Cricket Club and dance with Mrs Thornley; their learning has been linked to sports in all curriculum areas from 'heart' artwork, to maths involving working out Harry Kane's salary (over £800 per hour), to learning about the benefits of exercise.

Every child has walked the Golden Mile every day which is a total of 960 miles the equivalent of walking from Bocking to Barcelona via Paris.

The school has been 'buzzing' this week and the children have been so enthusiastic about the week. A huge thank you especially to Mrs Pickering and Mr Berry for their hard work this week and to the other staff for planning a great week.

Sports Day

It was fantastic to see so many of you at our Sports Day today and a great way to conclude

our sports week. Well done to all the children for trying their best in their races.

We look forward to announcing the winning team on Monday.

Dates

Year 1 parents are invited to join their children on 12th July at 1:30pm.

Year 5 will be having an outdoor learning day on 15th July.

District Sports

Mrs Pickering and Mr Berry accompanied a group of Key Stage 2 children to this year's district sports event. The children should all be very proud of representing our school. For the second year running we won both the Relay trophy and Overall Winners trophy.

Congratulations to the team!

100% Attendance and Punctuality

Congratulations to Years R, 3, 5 and 6 who have achieved over 97% attendance this week. Well done also to Years R, 1, 2, and 4B who have all achieved 100% punctuality.

Books!

If you have any unwanted books that are in good condition we would be very grateful of these to help improve our class selections.
