English	Maths	Topic
Write a story about an adventure which is set near a volcano. What happens to your characters? Make sure you describe what it is like to be near the volcano.	Look in a Christmas catalogue or website and choose a list of things you would like to put on your Christmas List. Write some word problems which use addition and subtraction or ordering that someone could answer by looking at your list	Create your own 3d picture collage or 3D model of a volcano. What could you use to create it? Some ideas could be to use paper mâché, lego, recycled materials, playdough, or any thing else you can think of
Imagine you live near a volcano. Write a diary entry about what happened to you the day the volcano erupted. Remember to tell you reader about what happened using your 5 senses.	Make up your own maths quiz. Your quiz must include answers on a separate sheet. Ask a friend or an adult to answer your questions. This should be on what we have already learnt: place value, addition or subtraction.	Research a famous volcano and create a factfile all about it. Can you include information to tell me where it is in the world, how big it is , when it last erupted? Try to include a picture if you can
Write a book review about a book you have enjoyed. It could be one you have read yourself or one you have listened to. Illustrate it with some pictures to make it really colourful.	Practice your tables using TTRS. Practice for 15 minutes every day for a week. I will be able to check this on the website. For some extra practice before you play you could watch some of the BBC bitesize Supermover videos https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4	Create a word search all about Rocks and Soils using all your science knowledge. Make sure you spell all the words correctly.
Use the game spooky spellings to practice your year 2 and Year 3 spellings. Select the list you want to work on by clicking on one of the books. Can you spell the word using the letters on the jars? https://www.ictgames.com/mobilePage/spookySpellings/index.html	Use the top marks game' Hit the button' to practice your number bonds to 20 and to 100 https://www.topmarks.co.uk/maths-games/hit-the-button	Create a poster about all or one of our School values. Make sure your poster is eye catching.
