Headteacher: **Miss Deborah Tatlow**

Week ending 14th June 2019

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

The Governors recently carried out a pupil voice survey with a group of children in school. The outcomes of this were really positive. Here are some of the things the children think about Bocking:

They like: the outdoor area; being able to use technology; the help they get with their learning; maths lessons and belonging to the school.

The children all said they feel safe in school and that there are children who look out for others and help if needed. They feel there are people they can talk to.

They say teachers make learning fun and that if they don't understand teachers explain things. They know what to do for their next steps.

To improve our school they would like more stickers for good work; longer lunch times, more clubs and they would like the quiet area could be quieter.

On Wednesday 5th June, we (Callum, Jake and Evan) went to Anglia Ruskin University for our Children's University Graduation.

First we went to the gowning room and were given our blue robes to wear and graduation hats – we all had different sashes: Jake's was silver, Evan's bronze and Callum's was red.

We had our photographs taken and went into the graduation room. When our names were called out, we were given our certificates by the Chancellor of the University. The best part was when we threw our hats in the air! By Callum and Jake.

Book Request—We are a number of books missing from our library! could we ask please that if you check to see if you have any school books at home and that these are returned to us.

Sports Day June 21st

You are invited to join us at 10:30am for Key Stage 1 sports and 12.40pm for Key Stage 2 sports. Please do join us and bring along a picnic lunch. (11.45am) You may also like to bring your chairs and rugs. **PLEASE DO NOT park in the club car park as they have two funeral receptions next Friday.**

100% Attendance and Punctuality

Congratulations to Years R and 5 for achieving 99% attendance this week and also to Years 1, 4B and 6 for 100% punctuality.

Children in EYFS enjoyed a visit from Jungle Joe. They had the opportunity to see, learn about and even hold animals such as a snake, spider, hamster, skunk and parakeet.

Year 1 enjoyed their trip to Boydell's Farm; learning about the animals from Farmer Kiley Threadgold.

It was great to see Year 3 parents on Wednesday; we hope they enjoyed learning about Kennings poems.
