

Week ending 13th November 2020

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

Hi I'm Callum and I'm in year 6B. Me and Jessica in my class are in something called the Pupil Forum. We meet online with other schools and share some great ideas.

I am Jessica and on Thursday we had our first meeting with the Attain academy pupil forum. There are 7 schools involved including Bocking.

The whole point of the forum is to improve our school and give our school a better opportunity.

The favourite idea this week was to make a video tour of the whole school for the people from the pupil forum to say what we like and what needs improving.

Pupil Forum Mission Statement
To learn, to explore, to enjoy

Head Boy and Girl

I was delighted and honoured to this week present our new Head Boy and Head Girl with their badges. Congratulations to **Theo S and Eveie** in the role.

Remembrance

On Wednesday we marked the two minute silence as a whole school, by lining the path at the front of the school.

We are very grateful to the members of the community who stopped as they walked or drove along the road to join us and to those who shared their comments about how lovely this was to see.

The children also learnt about the meaning of Remembrance. **Alfie** in Year 3 wrote this poem:

Remember, remember the 11th November
Every day bombs come down
Masterpieces are built
Enemies are dreadful
Massive bombs from aeroplanes
Beaten enemies
Enemies distract
Remember, remember the 11th November.

Attendance

Well done to Years R, 1, 2, 4, and 6 Badgers for over 97% attendance this week. Years 1, 4, 6 Badgers and 6 Foxes for 100% punctuality.

It was great to see the children wearing their PJs today to mark Children In Need. Thank you for the donations you made towards this cause. We will let you know how much we raised once the money comes out of quarantine next week!
