Week ending 25th October 2019

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

Our Year 6 children have had an amazing time on their residential trip to Kingswood in West Runton. They had great fun participating in a range of adventurous activities demonstrating resilience, perseverance and putting themselves out of their comfort zones. Mrs Champney, Mrs Slade, Mr Berry and myself have been so incredibly proud of the children. They have all given everything a go, supported each other and been so polite. They look forward to sharing their experiences when we return after half term. Thank you Year 6 for a fantastic week.

Meanwhile, back in Bocking Year 2 parents joined their children on Tuesday afternoon in class preparing Little Red Riding Hood's healthy picnic and sharing fairy tales. The children have been busy this week finishing off this half term's projects. There has also been lots of reward this week for classes achieving their 100 reads.

Next week is half term and Monday 4th November is an INSET day. I wish you all a relaxing weeks break and look forward to welcoming the children back in school on Tuesday 5th November.

Miss Tatlow

Congratulations to Callum in Year 5 Badgers, who led an assembly this week on living with ADHD. He spoke from the heart and with real passion. He captivated the attention of over 200 children and staff. The children asked lots of question that he answered very well.

A letter will be sent out after half term giving instructions on how to book your TLC appointment using eSchools. Beforehand, you will need to check you still have your login details. If you do not have your login details please email:
