

Bocking News

2nd July 2021

This week Year 2 have been looking at "What a beautiful world". They have become wildlife photographers, capturing some beautiful pictures of Bocking school in Bloom.

We have also been looking at the structure and life cycle of plants and flowers. All the children have enjoyed growing their own cress, and giving it a taste!

This week in EYFS we have been practising our subtraction skills! We worked out problems in different ways, Including using drawings to help us.

In Maths this week Year 1 have been learning all about Position and Direction. We have been using the language left, right, up, down, above and below to describe position of objects around the classroom. We have also been playing lots of games using left and right. Our favourite has been 'Miss Giles says'. We had to follow the instructions such as put your right hand in the air and put your left foot in front of you.
