Week ending 5th July 2019

This week has been, as ever a busy week.

Children from Year 2 attended the Key Stage 1 district sports event held at White Court School.

They competed against 8 other schools and came 5th overall but 1st in the small school category.

Year 2 parents enjoyed supporting their children to create an underwater scene in a box.

Badgers have enjoyed a day of outdoor learning.

A number of our Year 6 children have been successful this week in completing their Bikeability. Well done Year 6.

I have seen some great learning this week across the school from newspaper report writing about a volcano erupting, to feelings that music in a film can evoke to describing story settings and much more!

This week Rev Reid visited to monitor safeguarding at our school. Mrs Weeks and Mrs Sirkett visited to speak to some representatives from the Local Authority who were carrying out a LA review. This was a successful day and we will be able to share some of the findings with you in due course.

We need your recycling!!

We would be very grateful of any cardboard boxes, containers or other recyclable junk for some modelling that we will be doing as part of marking the anniversary of the moon landing next week.

Please bring these to school and

leave with your child's class teacher. (We will be making these inside, so are requesting everyday household recycling items!)
