

Week ending 11th December 2020

Be remarkable
Be reflective
Be resourceful
Be responsible
Be resilient
Be ready
Be respectful

A huge thank you to Mrs Cannon and Mrs Rathe for the delicious Christmas Dinner today. Slightly different to previous years but enjoyed just as much.

The children have all made a decoration for the Christmas tree displayed at the church.

The Children have today taken part in the 'Santa dash', each class walking up to a mile. This was part of the school games.

Attendance

Well done to Years R, 3, 4, and 6 Badgers for over 97% attendance this week

Well done Years 1, 3, 4 and Y6F & Y6B for 100% punctuality.

Well done to Year 4 who have stormed ahead this week with 1,005 points

SCS are running a Christmas Club for Half Term, please see attached leaflet for more details.

Reminder:

If children must bring their phones into school, they are to ensure they are handed into the office when they first come into school, and are on silent.

End of term.

School will remain open all of next week. The children will be expected to be in school until **Friday 18th December**, which is our last day of term.

Spring term 2021. We have decided to take up the offer, supported by the LA of Monday 4th January being a remote learning day. The decision for this is to allow all members of the school community a full week between the end of the Christmas bubbles and returning to school. This will allow time for any symptoms to emerge, and tests to be taken, before returning to school and our class bubbles. Therefore, staff will also have to time to assess how the Christmas bubbles have affected us and take Public Health advice, as a rise in cases is extremely likely.

The Spring term will therefore begin, with children in school on **Tuesday 5th January 2021**.
