

Year 6 Badgers News.

Hi, this week Badgers are hijacking the newsletter to share our achievements and learning. In English we are completing a sequence of work on Classic Fiction. Our chosen book is 'The Borrowers' by Mary Norton. We are reading this as our class read and have completed drama and art activities alongside our writing. We made our own imagined borrowers' homes using items from around the house and school. We really loved this, being able to empathise and imagine life as a Borrower. From this, we are now writing our own scene descriptions and next week will write adventures as if we are Borrowers. The pictures are examples of our imagined rooms.

Also, as part of our topic on the Living World we have begun making 3d artwork of animals of our choice. We are using various mediums and have collected an array of recycling in order to do this, thank you to everyone who donated cardboard to our art project. We can't wait to have these on display and have been resilient, pro-active and independent in applying our own ideas using, paints, collaging and papier-mâché.

Have a lovely weekend and happy Friday,

From all in Year 6 Badgers.
