Week ending 15th May 2020

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

Its been another week like no other! So firstly, I would like to say a huge thank you to you all for your continued support and patience with the ongoing situation. As I explained in my email yesterday, as soon as I have any further information about the forthcoming potential re-opening for some children.

I hope you enjoyed the poem; thank you for the feedback you have emailed about this. We do hope you have shared it with the children. I am going to upload it to J2E, so they can listen to it there, if they haven't yet seen it.

I have a written a message for the children below, to explain about school possibly reopening. I am sure they will have heard about this and I therefore hope that it will help them begin to try to understand what may happen.

### A message for the children:

A special message for you everyone. You might have heard this week, maybe on the television, that the Government would like some children to come back to school soon. The teachers and I cannot wait for you all to come back and to see you again. But I wanted to explain that before we can do this, we have to make sure that everyone is kept as safe as possible. I am working very hard to find ways of making sure that we will all be safe in school. I am making sure that I let the person you live with know what is happening. When we know a little more information about the possibility that some children may come back, I want you to know that I will make sure you also know what is happening and what it might be like for you at school, as it will be different to what you will remember. If you feel worried about anything, remember it is important to talk to someone at home, or to send a message to your teacher or to me. We are all very proud of you.

### E-safety

The following two organisations have produced some really useful activities for supporting children with e-safety at home. They are short simple ideas. I hope you find them useful.

### Phone Calls

I have been pleased that you have appreciated the phone calls from the class teachers over the last few weeks. These are going to be put on hold for a few days, so that the teachers can focus on the potential return. We are still however, all available via J2E, [admin@bockingstreet.essex.sch.uk](mailto:admin@bockingstreet.essex.sch.uk) or [chatwithmisstat-low@bockingstreet.essex.sch.uk](mailto:chatwithmisstat-low@bockingstreet.essex.sch.uk)
