### School Improvement:

Every year we have a school improvement plan which identifies the areas that, as a school we would like to work on improving. The areas we select are those that as a school we know need improving for example by analysing our data etc. This year the following areas are the priority area that we have identified:

#### **PRIORITY 1: QUALITY OF EDUCATION**

Improve quality of teaching across school to ensure consistency.

To improve outcomes for children in Key stage 1 writing and in both Key Stages in reading.

To ensure our curriculum is ambitious and reflects the skills the children need later in life.

#### **PRIORITY 2: EFFECTIVENESS OF LEADERSHIP AND MANAGEMENT**

To ensure that all leaders are accountable for the learning outcomes of all children within their key stage or subject/area.

To ensure more governors are involved in monitoring the key priorities in the SIP on a regular basis to sharpen the focus of the visits

To ensure that provision for disadvantaged children is rigorously monitored.

#### **PRIORITY 3: PERSONAL DEVELOPMENT**

To ensure that our PSHCE curriculum meets the new guidelines for 2019/ 2020.

To ensure that what we do to enhance children's SMSC development is consistently high quality.

#### **PRIORITY 4: BEHAVIOUR AND ATTITUDES**

To ensure that all members of staff have high expectations of children. (in line with review of the behaviour policy).

To support children in resolving their own conflicts for example, through restorative strategies.
