Powering Independent Learning

Sail-O-meter

English	Maths	Topic
Read a book, either your school book or a book from home and write a book review. Write sentences about what happened in the story, and then tell me what your favourite part was. You might also like to draw a picture to go with it!	Practise adding two numbers together to find your answer. Use your fingers or other objects to help if needed. Write them as an addition number sentence. Can you put your numbers into a part whole model? Can you use the same 3 numbers to write subtraction number sentences? e.g $5+2=7$ $2+5=7$ $7-5=2$ $7-2=5$	Find some leaves and bring them home to do a leaf rubbing from. Lay your leaf under your paper and use a crayon and gently rub over the top of your leaf, you should be able to see the pattern of your leaf appear on the paper. How many different leaf rubbings can you do?
Write 2 or more sentences about something you have done over the weekend. Remember to use your capital letters, finger spaces, full stops, neat handwriting and phonics.	Go to <a href="https://www.topmarks.co.uk">topmarks.co.uk</a> . Click 'Learning Games' at the top and choose '5-7 year old', then 'addition and subtraction' and play either 'addition to 10' or 'subtraction to 10' Addition to 10 - <a href="https://www.topmarks.co.uk/addition/addition-to-10">https://www.topmarks.co.uk/addition/addition-to-10</a>  Subtraction to 10 - <a href="https://www.topmarks.co.uk/subtraction/subtraction-to-10">https://www.topmarks.co.uk/subtraction/subtraction-to-10</a>	We are learning about the weather this term. Can you keep your own weather diary and write down what the weather has been like each day. You might want to write a sentence every day to describe the weather or you might like to use the weather symbol to draw what the weather is like.
Go onto <a href="https://www.phonicsplay.co.uk">www.phonicsplay.co.uk</a> . Click 'resources' and play one of the 3 free games. Choose from phase 2, 3 or 4 sounds. <a href="https://www.phonicsplay.co.uk/resources">https://www.phonicsplay.co.uk/resources</a>	Make number cards using paper and pens. Practise sequencing numbers 0-20. Once you are confident at this, try doing 0-30 and beyond.	Practise throwing and catching a ball with somebody at home. Count how many times you catch it without dropping it. Can you beat your high score?
Play 'I Spy' with somebody at home. Please use the sounds rather than the letter names.	Gather some items from around the house and put them in a line. Practise counting them forwards and backwards. Start with up to 10 items and then move on to 20, 30, etc when you are confident counting forwards and backwards.	Go outside and collect a variety of leaves, sticks, twigs, stones and other natural resources and create a picture with them. Maybe you could make a hedgehog or a leaf man.
