

Week ending 18th December 2020

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

If I looked back on the newsletters from the year, I think that many of them would be starting in the same way as this weeks.... What a week!! Our last week of the year and we finish the term proud of Bocking School. No-one would have predicted what we were going to face this year but with the support and team-work, we got through. It would not have been possible without your support and understanding of the ever changing situation. The children at Bocking have also demonstrated how remarkable and resilient they can be. They are a credit to our school, and you.

I would also like to take this opportunity to say a huge thank you to every member of staff, who have demonstrated energy, dedication and commitment throughout the year.

I know that Christmas may be celebrated in a different way to usual for many of us this year, but on behalf of the staff and Governors at Bocking I wish you and your families a peaceful, restful and healthy Christmas. We look forward to seeing you in 2021.

Goodbye and Good Luck

Today we say goodbye to Mrs Adcock and Mrs Reed. They have both worked at Bocking for a number of years and we will miss them. We wish Mrs Reed good luck as she begins a new role in another school and Mrs Adcock some relaxation as she spends some time with her family.

We also say goodbye to Mr Berry as he takes up a new role, closer to home.

We thank them all for their dedication, hard work and commitment to our school.

We look forward to seeing the children again on **Tuesday 5th January 2021.**
