

**Week ending 2nd October 2020**

Be respectful Be ready Be resilient Be responsible Be resourceful Be reflective Be remarkable

It has been a successful week this week, as we have reintroduced school meals for the Key Stage 2 children. Thank you to our kitchen and lunchtime staff for their hard work this week in ensuring this went as smoothly as it did.

Thursday marked National Poetry Day. Some of the teachers shared their favourite poems with the children.

Please could we ask that you are extra vigilant with regards to knowing where your children are, following some recent reports that have been bought to my attention. If you have children who walk home from school, please do remind them regularly, about not talking with strangers and ensuring they go straight home. I am unsure of all of the facts of these reports and have had no formal information from any sources, but please do be vigilant.

A few reminders:

Please ensure that long hair is tied up.

Children should not wear earrings for the days when they have PE, unless they can take them out themselves.

Children should bring a bottle of water with them daily.

A reminder please to ensure that when you are waiting in the playground you maintain appropriate social distancing and that you adhere to the one way system when dropping or collecting the children from school.
